## AUDITORS' REPORT

---

### To the Taxpayers of West Rutland Vermont

We have examined the Balance Sheets of the Town of West Rutland as of December 31, 1958 and the related statements of cash receipts and disbursements, for the year then ending.

The list of taxes levied for 1958 and prior years' uncollected taxes were accounted for by collections or taxes in the collector's hands at the end of the year. Payments by the State of Vermont to the Town, as confirmed to us by the Auditor of Accounts, were accounted for.

We examined approved orders for disbursements and found them correct.

In our opinion the balance sheet and related statements of cash receipts and disbursements present fairly the position of the Town at December 31, 1958 and transactions of the year then ending.

CHARLES A. PIPER,  
JOHN L. BATTLES,  
MARY R. ST. LOUIS,

## VERMONT STATE DEPARTMENT OF HEALTH

### ANNUAL TOWN REPORT, 1958

Through the following programs the State Department of Health works with the Health Officer and other officials, doctors and local citizens on community health. This report summarizes many of the services rendered to **West Rutland** last year and indicates other services available.

#### Cancer and Chronic Disease

2 persons received services which included diagnosis and treatment at tumor clinics or financial aid toward hospitalization costs.

#### Child Health Service

110 children attended 4 well-child and school conferences organized by the public health nurse. There were 2 nutrition and dietetic consultations. At attending doctor's request 11 children with orthopedic, cardiac, plastic or neurological conditions received services or appliances through clinics for handicapped children.

#### Communicable Disease

47 persons received chest x-rays; 81 children received immunizing series, including injections, against diphtheria, whooping cough, and or tetanus. The immunizing series against poliomyelitis were given to 297 children and adults.

#### Environmental Sanitation

A sanitarian or sanitary engineer made 54 inspections-consultations at the town's food and lodging places and 25 concerning water supply, sewage disposal, public buildings and other problems to protect health through improved town sanitation.

#### Hospital Services

There were 3 inspections-consultations to the hospitals, nursing homes or homes for the aged.

#### Industrial Health

Services for chest x-rays in industry and inspections and consultations at industrial sites were available.

### **Laboratory Services**

As aids in the control of communicable disease, tests were performed on **50** water samples, **82** blood specimens and **4** other specimens. Vaccines, antitoxins and biologicals were distributed for protection against communicable diseases.

### **Mental Health**

**1** person was served at the guidance clinic or through educational meetings or consultations. Services to individuals included **3** interviews with the psychiatrist, psychologist or psychiatric social worker. Financial and other assistance to develop local projects for prevention, treatment or education in the field of mental health were available.

### **Public Health Nursing**

The public health nurse's headquarters is in **Rutland**. Assisted by local people, she served well-child and school conferences, x-ray and immunization clinics. She visited homes, doctors and agencies, making **102** visits on behalf of **55** persons and community health activities. Her service is an essential element in the department's programs for health promotion, disease prevention, diagnosis, treatment and education.

Respectfully submitted,

ROBERT B. AIKEN, M.D., M.P.H.  
Commissioner of Health.

**VERMONT DEPARTMENT OF SOCIAL WELFARE**  
**Montpelier, Vermont**

This is the twenty-third annual report which I have made to the citizens of West Rutland regarding State payments in your municipality of various types of assistance and welfare during 1958. The support and cooperation of town officers and people generally over this long period is gratefully acknowledged.

This year marks the greatest improvement in the assistance programs since they were inaugurated many years ago. Due to an increase in Federal funds available to the State and a fortunate combination of circumstances it has been possible to lift the ceiling in the three adult programs from \$63.00 to \$75.00 a month and in the Aid to Dependent Children program to \$45.00 for the eligible mother or relative, \$45.00 for the first child and \$25.00 for each additional child. Our food budget allowances have also been increased. This not only furnishes more financial security to the individuals themselves but should also relieve the towns and cities of much of the expense of supplementation. Although the bill has not passed the legislature at this writing, a program for nursing home care and limited hospitalization for eligible recipients of Old Age Assistance, Aid to the Blind and Aid to the Permanently and Totally Disabled has the endorsement of the town and city managers. This will relieve the towns and cities of 65 percent of the cost for which they are currently obligated. No additional state appropriation is proposed or required. Actually, the current total requests of the Department of Social Welfare for 1960-1961 are less than was appropriated for 1958-1959.

Old Age Assistance	\$16,748.00
Aid to the Blind	.....
Aid to Dependent Children*	4,553.00
Aid to the Disabled	3,206.00
Committed Children**	1,087.52
<b>TOTAL</b>	<b>\$25,594.52</b>

\*One-eighth paid by the town or city unless family is non-settled.

\*\*One-half paid by the town or city unless family is non-settled.

## RECREATION REPORT

The summer recreation program opened June 23 and ran for ten weeks closing August 22. Before its opening, the supervisor and his assistants attended the annual State Recreation School at Lake Morey which was held through June 18th and 20th.

All ages of children were included in the playground schedule. The hours were 9:00 to 11:30 A. M. and 1:00 to 3:00 P. M. Evening hours were from 6:00 to 8:00 for adults.

The children's program included a variety of games such as baseball, softball, tennis, arts and crafts and others. The children were able to attend the Rutland swimming pool each day, transported by the school bus.

As in the past years, a special event was held each week. Among these were the Costume Contest, Hat Show, Hikes, Doll Show, Shoe Contest, Arts and Crafts and a Tennis Tournament. This tennis tournament was held on the new tennis court, completed before the opening of the playground.

Because of rain, the Annual Field Day was not held Thursday evening and instead, on the closing day, over one hundred children participated in games and contests of all sorts.

On behalf of my supervisor, Frank Zakrzewski, and my assistant Jean Humphreys, and myself, I wish to thank everyone for their help and cooperation during the past season.

Respectfully submitted,

JULIANA L. GŁODZIK

## REPORT OF SCHOOL NURSE

Schools opened in September with 547 pupils registered in the Public and Parochial Schools of the Town.

Each child is checked during the year by the School Nurse and records kept for each. Parents are notified of any defects.

In September vitamins were distributed to any child in the grades if the parent so desired. These vitamins are offered by the Parent Teachers Association. The children of St. Stanislaus school also received these vitamins, each child paying for his own. A number of parents supply vitamins to the pre-school children.

We expect to have an Infant and Pre-school clinic some time in March.

Clinics were held January 13, 20 and 27, February 3. at the Main Street School. Thirty physical examinations were done by a local physician. Immunizations were offered to all children in the elementary grades, 1 through 8. Vaccinations 120.

Vaccinations	12
Re-vaccinations	120
Dyphtheria & Tetanus	6 (first immunization)
“ “	3 (second “ )
D. T. Boosters	53
Tetanus Boosters	70
Polio 1st.	16
“ 2nd.	12
“ 3rd.	1

There were 12 mothers present at the first clinic. There will be a follow-up clinic for children needing second immunizations. All clinics were held under the supervision of the Vermont Department of Health. Miss Agnes McElroy in charge, assisted by Mrs. Esther Nelson, School Nurse. Parents who assisted at these clinics were Mrs. Duane Fuller, Mrs. Thomas Ascoli, Mrs. Frank Bruno, Mrs. Robert Gray and Mrs. John Clark. A similar clinic will be held at St. Stanislaus School some time in March.

Hearing tests have been given in both schools, Grades 1 through 8. High School students have also had hearing tests. There were three children with hearing defects and two have been treated by an ear specialist.

In October I attended an all day Meeting held at the Park Street Re-habilitation Center. Drs. Frank and Velma Falch

spoke on hearing tests and its importance. A Nurses Convention was again held in Barre Vermont.

Glasses were procured for one child through the Association for the Blind.

There have been numerous cases of grippe, measles, mumps and whooping cough and several cases of impetigo.

Seventy-five home calls were made as well as numerous contacts by telephone.

MRS. ESTHER NELSON, R. N.,  
School Nurse and Truant Officer

## ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

The following report is respectfully submitted to the citizens of West Rutland. New desks were purchased and installed in the rooms occupied by the upper four grades so that now all the graded rooms are equipped with new, modern school desks. During the summer months, the halls and stairways were painted. The lockers used by the high school were repainted. A complete survey of the textbooks used in the elementary grades was made, and where it was found advisable, new books were placed in the hands of the students. All of our elementary grades are now well equipped with new textbooks and new desks.

Miss Marilyn Wasilewski, the instructor in the stenography and typewriting department, resigned her position to continue her studies in Boston University.

Miss Sarah Jean Carter, a graduate of the University of Vermont, was appointed to succeed Miss Wasilewski as instructor in stenography and typewriting.

The West Rutland School Band, which consists of some sixty-five members, continues under the able direction of Mr. Napoleon Ianni of Rutland, Vermont.

The band participated in the following activities during the past year: A Christmas Concert, Kake Walk, P. T. A. Show, Easter Concert, Manchester Festival, All-State Festival, Memorial Day, Woodstock Alumni Parade, Graduation and Class Night exercises, Legion Carnival, Shrine Bowl Game at Hanover New Hampshire, Pep Rally, Home Football games, Veterans' Day.

The Glee Club was again under the direction of Miss Margaret Bliss of the high school faculty.

The Parent Teachers' Association sponsors the following projects: The milk program whereby milk is supplied to the elementary school children as part of their health program; the vitamin pill program whereby vitamin pills are made available to all of the school children who might wish to take advantage of this program; the hot lunch program. This latter program supplies hot lunch during the noon hour at a cost of \$.25 to students and \$.35 to adults. The mothers of the children assist in the functioning of this hot lunch program. This past year approximately one hundred and eighty students were served hot lunches daily while program operated.

The Driver Education instruction is again under the able direction of Mr. Joseph Zawistoski. This instruction consists of five class periods weekly with ten hours of behind the wheel instruction. The behind the wheel instruction is conducted after school from 3:15 to 5:15.

The program of renting modern business machines such as an electric typewriter, dictaphone, adding machine, etc., is being continued through the school year.

The school bus makes two trips each morning to bring the students residing in Whipple Hollow, on Pleasant Street, on Clarendon Avenue, and on Route 4, to and from school. The Clarendon Avenue and Route 4 route requires separate trips due to the number of students riding on the bus. The same schedule is followed during the afternoon.

This year tax money was made available to the West Rutland High School Athletic Department. This money was used for the purchase of new equipment for football, basketball, baseball and softball. The money was also used for the purpose of cleaning and repairing uniforms and equipment; for training room supplies; for the maintenance and upkeep of the athletic field; for the purchase of letters and awards for the various sports. These awards were presented to those students earning them at a high school general assembly. These funds made it possible to organize a physical education program for the girls. During the winter months the girls were grouped into class teams and played intramural basketball. During the spring with equipment purchased for this purpose, the girls will be organized into an intramural softball league. It is also planned to incorporate the new tennis court into the physical education program for those girls who might wish to select this activity as a part of their physical education.

In the field of Guidance, Thomas Egan, Science instructor acted as part-time guidance counselor. Mr. Egan while at the University of Vermont and their summer sessions has taken courses in the field of Guidance which fit him to this field. The guidance program is concerned primarily with post-high school plans, planning next year's curriculum for those students in the three lower grades and any problems that arise which the students feel free to discuss. The guidance office is open daily from 8:30 a. m. until 9:00 a. m., 10:30 until 11:15 a. m. and any time when a student arranges for a specific meeting.

All Freshmen have been given the Terman-McNemar test of Mental Ability. These were timed tests and the IQ's and per-

centile ranks were recorded according to national standards. Each student's score is entered in his personal folder. This folder contains the official transcript of his scholastic record and any other pertinent information.

During the second semester, interviews with college preparatory seniors will be to aid them in selecting schools they plan to attend and information concerning application and scholarship forms. Job placement possibilities will be investigated for commercial seniors. In conjunction with this Miss Bove of the Vermont State Unemployment Service has tested the students in accordance with their skills and aptitudes. This information may be obtained at the Rutland office of the Unemployment service. Freshmen, sophomores, and juniors will be assisted in the proper selection of courses of study to be followed next year.

The seniors have taken a battery of Differential Aptitude Tests which serve as outstanding measures of rate of progress in general knowledge, basic skills and in specific subject matter fields. The complete DAT battery includes Spelling, Sentence Sense, Verbal Reasoning, Abstract Reasoning, Mechanical Reasoning, Clerical Speed and Accuracy and Numerical Ability.

The National Scholarship Aptitude test has been administered to college preparatory seniors also the National Scholastic Aptitude test. Nearly all colleges now require the College Entrance Examinations and forms have been secured with aid given in the correct times and places these are given.

FRANK N. HINCHEY,  
Superintendent.

## Notice to Delinquent Tax Payers:

Section 778 of the Public Laws of Vermont as amended by No. 23 of the Act of 1937 provides that:

The Collector within ten years from the time of receiving a tax bill may collect a Poll Tax in any place in the State and execute his warrant wherever he may find the person of a delinquent. If a person has left the State, the Collector may collect any time within six years after the person returns or acquires property in this State.

GEORGE N. PARKER, Collector of Taxes
